

Alex Gunter continued

he has contributed much to Weslemkoon as we know and love it. May we remind ourselves to remember and appreciate the countless hours, days and years that he gave so willingly in order to provide service and improvement for the Lake and its people.

The Weslemkoon Protective Association wishes to express the condolences of all of its members to Mrs. Verle Gunter, his children and grandchildren. Mrs. Verle Gunter with the help of Mr. Roy Whitmore will carry on Alex' work.

"TO THE GRAND LAKE BEYOND THE HORIZON"

The year 1956 took three others who were also well known for their love of Weslemkoon and for their efforts to preserve it:

Mrs. Marie Mohler

Mr. F. B. Gerard

Mr. H. W. Griffiths

Perhaps the most fitting memorial that we can give to them would be to do what we can to keep Weslemkoon as they would have liked to see it.

QUESTIONNAIRE

The importance of preserving desirable conditions at Weslemkoon Lake becomes more obvious with each passing year. The Weslemkoon Protective Association seems to be the appropriate agency to accomplish this. Already it has done many things which benefit most of the cottagers. We sincerely hope that with your help it may do even more. This questionnaire, properly filled out will provide the Association with much needed information. Your assistance is essential and your suggestions will help shape future policies and procedures.

Please enclose your filled-out questionnaire and return it in the enclosed self-addressed stamped envelope. Please include \$5.00 for your 1956-57 dues if you have not paid them previously.
